Thank You!

Dear Church Family, My sincere "thanks" for the many expressions of love and concern while I was in the hospital and recuperating at home. The many cards, calls, visits at the hospital by our good pastor, and especially your prayers, warmed my heart and blessed me as nothing else could. I have felt your prayers and have been strengthened by them. It is nice to have such loving friends. God Bless each of you, Paul West

To the Bereavement Committee—Thank you for the food after June's funeral. It meant so much to me! You are all so special.

Love You! Jerry Johnson

Thank you so very much for your prayers and the beautiful plant you sent in memory of our sister, Wendy Borland. It was very thoughtful, and we appreciate your kindness.

The Borland's (Dianne Glosson's sister)

How amazing is it that through OCC we were able to share the Good News with the children of the Ukraine just months before their world was thrust into chaos.

Many shoeboxes that were packed were sent to bless children in the Ukraine!

Here is some interesting info about that corner of the world:

- The Ukraine is about 16th the size of the USA or about the size of Texas and has a population of 44.4 million people compared to Texas which has a population of nearly 30 million..
- The average annual HOUSEHOLD income is less than \$2,000 (US dollars).
- There are nearly 8 million children in the Ukraine with an increasing number of them being brought up in single parent homes. More than 100,000 Ukrainian children live in orphanages – most who have been abandoned by their own family due to lack of finances but also due to alcoholism, abuse, crime and poor health.
- Unemployment is >10%. For comparison: Missouri had an unemployment rate of 5.8% at the end of 2020.
- The Eastern Orthodox church (which is similar to Catholicism) is what most Ukrainian's would label as their religion.

Pray for the children who have received shoeboxes.

The most important thing you can pack in a shoebox is PRAYER::.
