Words to Live by...

1. Prayer is not a “spare wheel” that you pull out when you’re in trouble; it is a “steering wheel” that directs us on the right path throughout life.
2. Do you know why a car’s WINDSHIELD is so large and the rear-view mirror is so small? Because our past is not as important as our FUTURE. SO, look ahead and move on.
3. FRIENDSHIP is like a BOOK: it takes a few seconds to burn, but it takes years to write.
