FROM THE MEDICAL COMMITTEE

In the event of a fall or medical situation occurring during any church service or event, we respectfully request that **only** medical committee members respond. This will allow some privacy for the individual and an opportunity for a medical assessment to be performed. Our goal is to provide care while also reducing distractions and disruption of services. The medical committee will reach out for assistance, if necessary, on an individual basis. The medical/safety committee will initiate and assist EMS services.
