CHURCH WEATHER CLOSING POLICY

This winter we will continue to use Channel 2 (WFMY), cable Channel 9, to announce our closing plans. Forecasts will be reviewed and local conditions surveyed when practical, and a decision made by the Pastor, with advice from the Chairman of the Deacons and the Properties Chairman. Please, be alert to that channel Saturday night and Sunday morning. Wednesday night closings will be handled by calls from the deacons. The parking lot and walks will be scraped, or salt applied when appropriate, but each person should review their own situation before venturing out, and use extra precaution. **WHEN IN DOUBT, DON'T COME OUT!!!**

THIS IS MY FATHER'S WORLD

Maltbie Babcock was an athlete. An outstanding baseball pitcher and a champion swimmer, he kept himself in shape by running. When he was pastor of the First Presbyterian Church in Lackport, New York, he would run out in the early morning to the brow of the hill two miles away and look over at Lake Ontario. Before he left, he would tell his church staff, "I am going out to see my Father's world." From the brow of the hill, he would run two more miles to a deep ravine where as many as forty different species of birds found a sanctuary. Then he would run back.

Babcock loved athletics and nature, as well as playing music on the organ, piano, and violin. So it was not strange that he should write a hymn extolling God's handiwork in nature. There are good lines to memorize here, lines to remember when the world seems to be going haywire: ***"This is my Father's world, O let me ne'er forget that though the wrong seems oft so strong, God is the Ruler yet."***

—copied (See page 43 in your hymnal for all the words to this great hymn.)
