CHURCH WEATHER CLOSING POLICY

This winter we will continue to use Channel 2 (WFMY), cable Channel 9, as well as Channel 8, to announce our closing plans. Forecasts will be reviewed and local conditions surveyed when practical, and a decision made by the Pastor, with advice from the Chairman of the Deacons and the Properties Chairman. Please, be alert to one of these channels Saturday night and Sunday morning. Wednesday night closings will be handled by calls from the deacons. The parking lot and walks will be scraped, or salt applied when appropriate, but each person should review their own situation before venturing out and use extra precautions.

WHEN IN DOUBT, DON'T COME OUT!!!

GOD'S WINGS

A little something to put things in perspective... An article in National Geographic several years ago provided an interesting picture of God's wings.

After a forest fire in Yellowstone National Park, forest rangers began their trek up a mountain to assess the inferno's damage. One ranger found a bird literally petrified in ashes, perched statuesquely on the ground at the base of a tree.

Somewhat sickened by the eerie sight, he knocked over the bird with a stick. When he gently struck it, three tiny chicks scurried from under their dead mother's wings. The loving mother, keenly aware of impending disaster, had carried her offspring to the base of the tree and had gathered them under her wings, instinctively knowing that the toxic smoke would rise. She could have flown to safety but had refused to abandon her babies. Then the blaze had arrived and the heat had scorched her small body, the mother had remained steadfast..because she had been willing to die, so those under the cover of her wings would live.

He will cover you with his feathers, ad under his wings you will find refuge." (Psalm 91:4)

Being loved this much should make a difference in your life. Remember the One who loves you, and then be different because of it.
